

This is a digital copy of a book that was preserved for generations on library shelves before it was carefully scanned by Google as part of a project to make the world's books discoverable online.

It has survived long enough for the copyright to expire and the book to enter the public domain. A public domain book is one that was never subject to copyright or whose legal copyright term has expired. Whether a book is in the public domain may vary country to country. Public domain books are our gateways to the past, representing a wealth of history, culture and knowledge that's often difficult to discover.

Marks, notations and other marginalia present in the original volume will appear in this file - a reminder of this book's long journey from the publisher to a library and finally to you.

### Usage guidelines

Google is proud to partner with libraries to digitize public domain materials and make them widely accessible. Public domain books belong to the public and we are merely their custodians. Nevertheless, this work is expensive, so in order to keep providing this resource, we have taken steps to prevent abuse by commercial parties, including placing technical restrictions on automated querying.

We also ask that you:

- + *Make non-commercial use of the files* We designed Google Book Search for use by individuals, and we request that you use these files for personal, non-commercial purposes.
- + *Refrain from automated querying* Do not send automated queries of any sort to Google's system: If you are conducting research on machine translation, optical character recognition or other areas where access to a large amount of text is helpful, please contact us. We encourage the use of public domain materials for these purposes and may be able to help.
- + *Maintain attribution* The Google "watermark" you see on each file is essential for informing people about this project and helping them find additional materials through Google Book Search. Please do not remove it.
- + *Keep it legal* Whatever your use, remember that you are responsible for ensuring that what you are doing is legal. Do not assume that just because we believe a book is in the public domain for users in the United States, that the work is also in the public domain for users in other countries. Whether a book is still in copyright varies from country to country, and we can't offer guidance on whether any specific use of any specific book is allowed. Please do not assume that a book's appearance in Google Book Search means it can be used in any manner anywhere in the world. Copyright infringement liability can be quite severe.

### About Google Book Search

Google's mission is to organize the world's information and to make it universally accessible and useful. Google Book Search helps readers discover the world's books while helping authors and publishers reach new audiences. You can search through the full text of this book on the web at <http://books.google.com/>

## Stapleton Registers.

STAPLETON (till 1744 always spelt in Registers Stepleton or Steppleton) in Diocese of Lichfield, Condover Hundred and Rural Deanery ; population in 1891, 245 ; acreage 2,352 ; 6 miles south of Shrewsbury. In 1676, there were 175 "Conformists" in the parish above the age of 16, and no "Papists" or "Nonconformists," which seems to show a decrease in the population in the course of the past two centuries. In 1602, Rowland Harris, Parson of Stapleton, held no degree, and was not licensed by the Bishop to preach.

The Parish Register Abstract, 1831, contains the following account of these Registers :—“Stapleton R. No. I. Register 1630—1747. No. II. Bap Bur. 1748—1812. III. Marr. 1750—1812.”

The oldest Register at Stapleton is bound in calf and has had clasps. It is 12½ inches long by 6½ wide. It contains 25 leaves of parchment, some loose, and much worn and tattered, and all injured by damp ; a break occurs in the entries from 1699 to 1708 ; probably some leaves are lost here. The first legible entry is in 1635, and the last in 1746. The entries include baptisms, marriages and burials. On the outside of the first leaf is written “Thomas Cooper,” and across the page “Humphry Sancky lived with Mr. Royston y<sup>e</sup> yeare 1687 and . . .”. The second Register book begins 1748, and ends in December 1812. It has 15 written leaves, also injured by damp, and imperfect in places ; it contains baptisms and burials, and up to 1750 marriages also. A third book contains printed forms for marriage entries, and entries on them from 1750 to 1812.

The Churchwardens books which are complete, and in fair condition, commence in 1670, and contain accounts, lists, plans of the sittings in church and their occupants, lists of the church plate, &c. They mention the “olde churche booke” as being in 1678 “torne, abused, and much decayed,” and “as the inhabitants are by now unknown and almost quite forgotten,” a fresh list for rating purposes is made out, giving the old names from a list of 1599, and the present ones opposite them.

No names of much note are legible in the Registers. The families of Haynes, Scott, Meyrick, and Oakley are designated “esq.”, “Mr.”, or “gent” in the volumes. Some members of the Haynes family, sometimes spelt Heynes, are buried in the chancel ; the vestry book records the “breaking up of the Church for Mr. Haynes’s 2 daughters,” and “Mrs. Margaret Haynes, widow of John Haynes, Esqr., of Netley” has a stone now hidden by the choir seats ; her burial is entered in 1682. She was daughter of Thos. Nicolls of Boycott, Sheriff in 1641. John Haynes’s daughter Mary, who was eventually his heiress, was born June 7, 1666, and married July 24, 1688, Thomas Edwardes, 2nd son of Sir Thos. Edwardes, 1st Bart., to whom she took Netley, in Stapleton parish, as well as other property. Mr. Thomas Stanier, who died in 1690, is also mentioned as having a stone in the chancel (now hidden).

Many names in the Register are still found in the parish ; among them are Harper 1645, Corfield 1663, Bromley 1669, Wigley 1675, Mapp 1675, Huffer 1676, Preese 1689, Tomkys 1690, and later on Savage, Oakley, Tudor, Purcell, &c.

An earlier Register than the present first Register must have been in existence shortly before 1831, as a large number of extracts commencing in 1546 are presented in George Morris’s MSS. These, which number nearly 180, are here given. The present earliest Register must have been in a

better condition then than it is now, as some of the entries now partly undecipherable are given intact in the Morris MSS.<sup>1</sup>

- The Rectors whose names are legible are :—  
Gilbert Coll or Cole, bur. Feb. 11, 1680.  
Thomas Royston, inducted April 18, 1681.  
Richard Cross, B.A., Fellow of St. Cath. Hall, Camb., inducted 1738.  
Samuel Langley, D.D., Pemb. Coll., Oxon., inducted 1759, died 1791.  
Edward Powys, M.A., inducted 1790.  
Hugh Owen, M.A., St. John's Coll., Camb., inducted June 8, 1819, Arch-deacon of Salop 1821-27, died Dec. 23, 1827.  
Hon. Everard Robert Bruce Feilding, M.A. Oriel Coll., Oxon., inducted Jan. 7, 1824, died Sept. 14, 1854.  
Henry Harding, M.A., Kings Coll., Camb., inducted 1854.  
Hon. Charles William Alexander Feilding, M.A. Trin. Coll., Camb., inducted 1863, died 1894.  
Hudleston Stokes, M.A. Gonville and Caius Coll., Camb., inducted May 4, 1894.

Stapleton is mentioned in *Domesday* under the name of Hundeslit, i.e., Huni's Lyth. It had been held as two manors by two Saxon franklins, Huning and Aelric, and in 1086, was still divided between Roger fitz Corbet, and Alward the Saxon, who both were tenants of Roger de Montgomery. It is possible that the mound near the Church may have been the site of one of the Saxon manor houses. It now, where opened on the south side, shows alternate layers of stones and wood ash. The other stood about a mile away, where the moated remains of the house of the De Stapletons still exist. The place first appears as Stapleton in the reign of Stephen, when Baldwin de Meisy was Lord of Stapleton and Wistanstow. His descendants, who took the name of De Stapleton, held the manor till the beginning of the 15th century, when it passed to six co-heiresses, the daughters of Sir John Stapleton.

The advowson was held by their representatives in 1495, when Richard Webbe, the Rector who resigned in 1536, was presented. In 1738, Thomas Powys and his wife presented, *pro hac vice*, and in 1759 Henry Powys, who inherited the property of the Langleys of Shrewsbury Abbey, was patron. It passed by inheritance from the Powys family to the Earl of Denbigh, and has lately passed into the hands of R. W. Preston, Esq. The Church of St. John the Baptist was originally a chapelry of Condover, and as such paid 10s. annually to the Abbey of Shrewsbury, which had appropriated the Mother Church. The building is architecturally of unusual interest, consisting of an early church, on one side below the level of the soil, above which, probably about the 12th century, another was built, and then at some later period both were thrown together, and lit by 14th century windows. The Church, which seats 122, was restored in 1866, when the windows of the lower church were discovered. The then Rector, the Rev. Hon. C. W. A. Feilding, entered an account of the restoration, with illustrations, in the Vestry Book. The tower was an addition after 1789.

The Registers are copied by Miss E. C. Hope-Edwards, by permission of the Rev. Hudleston Stokes, M.A., Rector, who has collated the sheets with the original Registers as they passed through the press.

<sup>1</sup> [Mr. George Morris probably copied the MS. extracts from the Shropshire Registers, made by the Rev. W. Mytton, Rector of Hubberley (died 1746), which are now in the possession of the Rev. E. R. O. Bridgeman, Rector of Blymhill.] J. ERNEST AUDEN.]
